

Dear new member

Welcome to Norwich City Korfball Club. We hope that you will enjoy playing with us.

### **Subscriptions**

As a member, you are required to pay a monthly subscription of £15 for waged members and £10 for unwaged members by standing order.

The extra sum of £5 for waged members is treated as a donation which allows the Club to reclaim tax on the amount. This subscription covers your training and match fees throughout the year, and a club shirt. Tournament and travel costs are not covered.

Please can you complete the form below and send it to your bank as soon as possible.

### **Other club information**

Club training is held at City of Norwich School on Tuesday evenings and league matches are played on Sundays from late September to Easter or just after. The league matches are indoors and generally played at the UEA Sportspark.

League details can be found at the Norfolk Korfball Association website [www.norfolkkorfball.co.uk](http://www.norfolkkorfball.co.uk).

There are also opportunities to play in outdoor tournaments through the summer months when the league stops. These are organised by individual clubs and it is up to members to arrange.

Norwich City also has a website [www.nckc.co.uk](http://www.nckc.co.uk) and a members' site which you will receive an invitation to join. There is a committee to run the club which meets when necessary.

Norwich City currently has four teams. NC1 in Division 1, NC2 in Division 2 and NC 3 and 4 in Division 3 of the Norfolk League.

Club members are allocated to a team at the beginning of the season and places are reviewed at Christmas when there is a short break. The team lists are then submitted to the league secretary. We hope that players will come to training regularly to improve their play as a team member as well as an individual, and to increase their understanding of the game.

Each team has a coach who is responsible each week for making sure we field 'legal' teams with the correct players. It is really helpful if members can look at the fixtures and keep the days free when their allocated team is playing. Matches are usually confirmed in the week before the game by email or text again it is helpful if players can check their emails and respond quickly.

Please keep a note of your coach's telephone number in case of emergency.

[Players under the age of 18 wishing to play in the local league have to fill in a signed consent forms to the NKA Executive. Players without a form will not be allowed to play!](#)

More information can be found at [www.nckc.co.uk](http://www.nckc.co.uk) but please don't hesitate to ask a senior player.
